Principal's Message

Principal's Badge

At last week's school assembly we acknowledged and presented the principal's badges to two Year 6 students from Room 8. A student is nominated for this special award when they have received their Bronze, Silver and Gold certificates followed by their elite Bronze, Silver and Gold badges.

Kacey Mutu - an Ambassador, Road Patroller, Receptionist, Netballer, strong leader in the class and around the school, gets on well with all students and staff, a friendly and cheerful person, conscientious learner who exemplifies the learning dispositions, works hard to achieve her goals, upholds the Cornerstone Values ever since she started school as a new entrant, received her Gold badge at the start of 2021.

Joe Tuakeu - An Ambassador, Road Patroller, Receptionist, Netballer, volunteers for added responsibilities, a "peacemaker and a problem solver", a wry sense of humour, hard worker in class who achieves his goals, cares for others and always shows kindness, received his Gold badge at the start of 2021.

Health and Physical Education Community Survey

Thank you to those parents and caregivers who took the time to read our current Health and Physical Education (HPE) programme, and complete the online survey. The HPE Professional Learning Group will provide a summary of the responses and report recommendations in due course. We will announce the winner of the bike in next week's school newsletter.

SHAKE OUT

Shake Out takes place across the world to remind people of the right action to take during an earthquake. We remind and practise with children "Drop, Cover and Hold".

Junior classes make their way to the school fields after being given the all-clear

Planning classes for 2022

We will be finalising our class placements and staffing for next year over the next few weeks. This is an important process for our school leaders to have up-to-date information from parents and caregivers. Your assistance with the following requests would be appreciated.

1. Is your child returning to Malfroy School next year? Whanau/families do move due to changing circumstances. Please let your child's teacher and Julie Calkin, our Office Manager know.
2. If you wish your child to be placed with a particular teacher, please collect the request form from Julie Calkin in the school office and return by Tuesday 30 November..
3. For those students moving to Intermediate next year - have you completed your enrolment?

An update of COVID-19 Alert Level 2

The Ministry of Education has provided further guidance and information regarding the **Public Health Order for mandatory vaccination**.

1. All workers who carry out work at or for an early learning service, registered school, or hostel fall under the requirements of the Order if:
 - they may have contact with children or students when carrying out their work, or
 - they are present at the early learning service, registered school or hostel where children or students are also present
2. The worker has a duty under the Order to ensure they meet the vaccination requirements.
3. Parents, caregivers or volunteers at an education outside the classroom (EOTC), learning experiences outside the classroom (LEOTC) programme or excursion are required to meet the vaccination requirements.

Please Note: The Public Health Order does not apply to parents/caregivers dropping off, picking up, or settling children at a school. This also applies to parents or caregivers attending meetings or events on site (for example, parent-teacher interviews).

Looking ahead at school-wide events

The EOTC event for Road Patrollers which was scheduled for Friday 12 November has been cancelled due to COVID-19 restrictions. The decision was made by the police liaison team. We would like to acknowledge in an appropriate way the great work our student road patrollers have done this year and will be discussing an alternative plan with lead teacher, Aroha Davis.

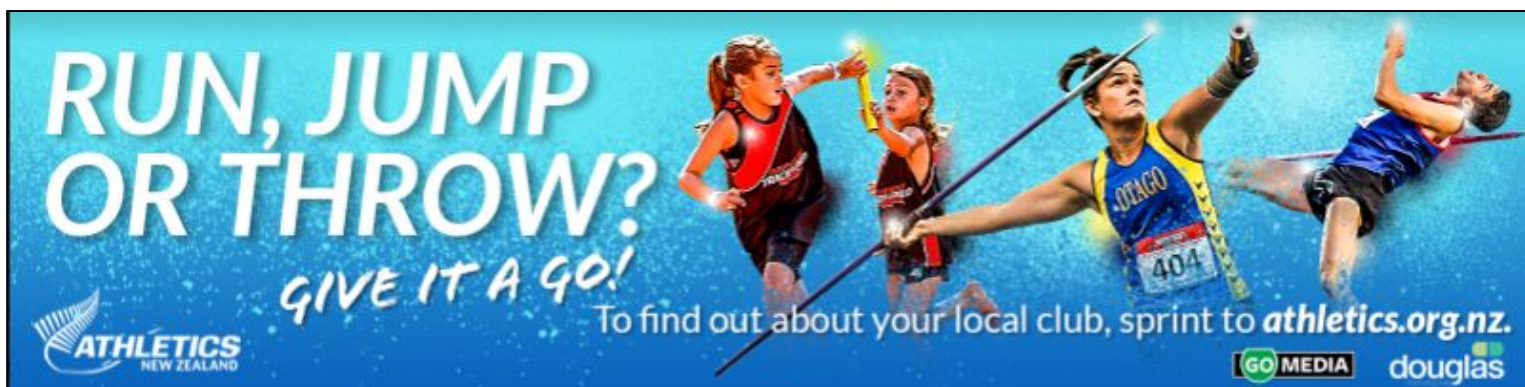

Our Condolences to staff members

We would like to express our sincere condolences to our colleagues Stacey Ward, Jill Taylor, Shaaron Piatek and Linda Beck who have lost a parent due to illness.

E aroha nui atu ana ki a koutou i tenei wā.

Nga mihi
