Miniball Competition finishes another season

The senior miniball team completed their final game for the year last Friday. Thank you to Coach Ceara for taking the team this year. The team did their training on Friday afternoon ahead of their evening games.

School Holidays start this Friday.
School will return on Monday 17th October

Important Reminders

Term 4 Dates - Monday 17 October to Wednesday 14 December, Labour Day Monday 24 October.

Harakeke Day - Saturday 12 November. Harakeke (Flax) is special to this land the school is settled on. According to Rawiri Waru (Ngati Whakaue) this land was renowned for a special flax that grew here. This block provided the harakeke for the local people. RGHS grounds were renowned for Kumara.
The harakeke needs to be harvested by whanau so we would like to run a working bee with a kai at the end of it. Details to follow early next term.

Attendance - The government has developed a strategy for tackling the decline in regular attendance and engagement in schools. There are three key parts to the strategy;

1. Clear expectations for everyone involved.
2. Ambitious targets for attendance levels.
3. Bold actions.

We will be sharing with our school community over the coming months what this involves and what must be done to improve the attendance for every student who can be at school, who should be at school, who has the right to be at school. We are all accountable to make sure this can happen.

Have a safe and enjoyable holiday - We had our final school assembly for the term this afternoon. Sports certificates for hockey and miniball were presented along with Power Reader, Key Competencies, Smilies Draw and the Senior Camp Tui Ridge Draw (congratulations to Lilly-Joy Room 10).
Two new bikes were presented to Year 1 students Joseph and Kyzar. Their citation read '*Both boys are new to Malfroy this year and strive to follow our Malfroy 8 rules. A feature of their time at school is their ability to work well at a task independently, making good choices with any spare time, and being able to concentrate and persevere with what they have chosen to complete. They also work well with others. They are able to listen to the ideas of their*
class mates while ensuring that they also have their say. They are kind and considerate to their peers, are fully involved in all classroom activities and are helpful class members.'
(Whaea Linda, class teacher)
