Principal's Newsletter Term 2 Week 5

14 May 2020

Kia Ora, Kia Orana, Malo, Talofa Lava, Bula Vanaka, Malo e Lelei, Fakaalofa Lahi atu, Namaste, Talofa Ni and Warm Pasifika Greetings!

We are looking forward to returning to school next Monday, with the expectation all children will be ready to catch up with their friends and staff. **Re-engaging** with everyone will take time and so our staff will endeavour to ease into the week allowing their students to **connect with friends** and **work together**.

There are **normal and new routines** that staff will talk through with their students to ensure we all know what to do. Over the last few weeks we have observed with the students who have been attending school how quickly they have responded to the health and safety measures that are in place.

We want school to be a **safe place for everyone**, so please take the time to read the Malfroy School Safety Plan. If you have any questions, or comments to make, please let us know. Click on the link below.

Malfroy School Safety Plan Alert Level 2, May 2020

What's been happening at school this week?

It's great to see the progress the CH Construction and Rotovegas Roofing have made with the school hall. The roof should be completed tomorrow. Once the exterior cladding has been completed and the new window panels have been installed the focus will switch to inside work.

Bikes have been very popular with our students. They have taken turns at leading the group around the school in single file going in different directions and navigating obstacles along the way. Today, they had a lot of fun with a long skipping rope, kicking a soccer ball to one another and practising hockey drills with Mrs McLaren.

For others, having quiet time making a special card for mum was important, as was biking with a friend and talking.

The school office will be open to help with any enquiries regarding enrolments for the term. You may wish to contact Julie by email office@malfroy.school.nz or Jennie McLaren by email deputyprincipal@malfroy.school.nz

For any other matters, you may wish to contact me by email principal@malfroy.school.nz or call me on 0274941918.

If you have not already done so please complete the **Malfroy School Response Form** for your child returning to school. We sent this out on Tuesday. Thank you for your support with this request. [Return to Malfroy School Response Form](#)

IMPORTANT! School Devices

**Please have all School devices and chargers returned to the school in the plastic bubble wrap and cardboard boxes they were sent in. They can be returned to the class teacher on Monday 18th May.
Thank you!**

Autumn Fun in our Bubble

We had lots of fun with the autumn leaves. First we made a lion with the mane made out of leaves. Next we made some spikey hedgehogs.

We have had lots of fun with these and hope to teach our classmates when they all return back to school.

From left - Lily-Joy, Essence, Vili and Braxton show off their lions and lionesses!

From top, Lily-Joy, Vili and Braxton enjoyed making their hedgehogs.

Thank you to our teacher's for looking after us, as our whanau were essential workers.
