## Kapa Haka Regional Competition

Tawhiri - It was nervous waiting to go on stage, but when I walked on stage and started speaking I began to focus on what I had to do. I began to remember what our tutors had trained us to do, what to say, when to move and give 100% effort. I felt this more so when we were performing the haka. I felt a sense of accomplishment and pride that our kapa haka group had given their best.

Kahurangi - I was excited to be walking onto the stage at the start of our performance. During the performance of our waiata I could sense my voice was fading. As it was, I was able to persevere and keep going. I felt tired after we returned to school, but after a delicious kai I soon got my energy back

Manaia - I felt nervous before our performance, but once our group was on stage I started to focus on what we had trained for. While my voice was tired I managed to maintain my volume.

I felt a real sense of pride and an excitement as we performed our exit 'No Te Arawa'.

## Central Bay of Plenty Athletics

Jaearn - Placed 1st Long Jump Boys 9 years: I was a bit nervous to begin with but once I started my first attempt I settled down. I soon realised that I was in with a chance.

Maria - Placed 2nd Shot Put Girls 11 years: I was scared at first because there were some taller girls competing with me. I was able to refocus and concentrate on my technique.

Bella - Placed 1st Shot Put, 2nd Discus Girls 9 years: I had a few nerves to start off with, but as we started our preliminary throws I grew in confidence and managed to achieve a top placing.

Kaylee - Placed 3rd High Jump Girls 10 years: I was nervous to begin with but I managed to believe in my ability to keep going and give it everything I had.

Our senior camp is coming up fast and we are needing parent volunteers especially those who have already been police vetted.

For the safety and well-being of our students it is a requirement that every adult who works closely with our students must be police vetted, therefore if you have a current police vet (no older than three years) and you are able to provide us with a copy, we want you!

If you are able to help at our senior camp, please see your child's classroom teacher or Whaea Teina.

## Junior Rumaki - Camp

Next week Whaea Dolly, Whaea Awhina, and Room 15 will be heading to the Te Urewera Education Camp. The tamariki will learn putaiao that values and encourages Te Reo Maori and Maturanga Maori. The tamariki will also develop respect and appreciation for all forms of nature and our environment.
