The Cornerstone Values, Malfroy Manners and the Malfroy 8.

'Since the beginning of human history these simple principles have guided the formation of character. They are as true today as they were in the past. They are as constant today as they were in the past. They are constant, consistent, universal and belong to all cultures. They are not something "to have" but something "to be". Make them your guide as you build your character and become the best person you can be.'

NZ Foundation for Character Education Inc. 2011

In March 2008, Malfroy School became the 8th school in New Zealand to become an accredited Cornerstone Values School. Other local schools, Kaharoa School and Aorangi School are also accredited.

The importance of having a strong values programme at Malfroy School means children can develop personal qualities that will help them through life, form better relationships, and develop a sense of community.

Cornerstone Values - Respect, Responsibility, Kindness, Honesty and Truthfulness, Obedience and Duty, Consideration, Compassion, Concern for Others

The Malfroy Manners and Malfroy 8 were created and introduced to the school as a result of our participation in the Positive Behaviour for Learning programme.

Last week we went to Maketu beach. At Maketu the first thing we did was have morning tea. For morning tea I had a cream cheese sandwich. After morning tea we went to make sandcastles. My group was Audrey, Tawa, Hikiana and Kaalon. Our parent was Hikiana's dad. For our sandcastle we had shells and buckets. After making sandcastles we made boats out of soft sticks a toothpick and a leaf. We let our boats sail on the water. Then we went to the rock pools, I found a limpet, starfish and a crab. Then we had lunch. After lunch we went on the bus back to school.

On the Maketu trip we made sand castles then we made boats and we saw rock pools. My favourite was the rock pools because I found a starfish. By Taliana.

Room 5 Maketu Trip

We had a long bus trip, but Hikiana and Tawa and I stayed awake. When we got there we had morning tea. After morning tea we made sand castles, then we made bots. Then we went to the rock pools. When we got back to the tarpaulin it was lunch time. Tawa, Hikiana, Maiah and I had a hotdog and chips. We got ready to go back to school and it was home time when we got there. By Audrey.

Last week we went to Maketu, but the bus ride was long. When we got there we built a sand castle with a sleeping giant. Then we some boats, my boat had a decoration. When my boat stopped I paddled in the water and found a starfish. Then we went to the rock pools and I had to put my starfish back. Then we went back and had lunch under the trees.

Malfroy School New Entrant Student Transition to School Programme

Every Wednesday from 1.30-2.45 pm in Room 1 with our New Entrant Teacher, Whaea Linda., we look forward to welcoming your child and helping them to prepare for their transition into Malfroy School.

The aim of our transition to school programme, *'Stepping up - Upane'* is to ensure a smooth change over from Early childcare/home care to the school situation in a happy and very supportive way. Children from 4 to 5 years are welcome to attend.

The Learning Outcomes that we focus on at the 'Stepping up' are:

Developing Self Esteem	Developing Social Skills
Formal Routines	Early Literacy and Numeracy Skills
Fine Motor Skills	Oral Language Skills

If your New Entrant child is able to have at least 4 visits prior to them starting school, then this really helps them to make an easy and stress free transition to school when they do start.

Call in to the office and pick up a 'Stepping Up - Upane' transition pack and enrollment form.
