Schools are busy places

The following photos capture the variety of programmes, activities and events that have featured in recent weeks. Students have enjoyed the opportunities afforded to them by dedicated staff and parent helpers working collaboratively. Relevant learning experiences motivate students to actively engage and achieve better outcomes.

Malfroy School New Entrant Student Transition to School Programme

Every Wednesday from 1.30-2.45 pm in Room 1 with our New Entrant Teacher, Whaea Linda., we look forward to welcoming your child and helping them to prepare for their transition into Malfroy School.

The aim of our transition to school programme, 'Stepping up - Upaue' is to ensure a smooth change over from Early childcare/home care to the school situation in a happy and very supportive way. Children from 4 to 5 years are welcome to attend.

The Learning Outcomes that we focus on at the 'Stepping up' are:

Developing Self Esteem	Developing Social Skills
Formal Routines	Early Literacy and Numeracy Skills
Fine Motor Skills	Oral Language Skills

If your New Entrant child is able to have at least 4 visits prior to them starting school, then this really helps them to make an easy and stress free transition to school when they do start.

Call in to the office and pick up a 'Stepping Up - Upaue' transition pack and enrollment form.
