Malfroy School started providing breakfast to students in 2002 led by Flora Wainohu and volunteers. Children were offered weetbix, toast and milk, toast and milo for 20c, three times a week. Flora recalls more and more children were turning up hungry. Sanitarium was providing weetbix and milk, but when there was a shortfall Flora would often pay for food. So, too, did the community.

Whanau Breakfast started at this time and the school community were treated to a cooked or continental breakfast. Everyone was welcomed. **We hope you can join us on Friday 2 July for our Community Matariki Breakfast starting at 7.45am.**

I woke up to the sound of a frying pan sizzling, with a nice aroma of sausages. "Mmm," I thought as I changed into my school uniform. When I opened my room door, I froze; My older brother was cooking breakfast! (Zayed, year 5).

"The car is finally finished! And, now for a test drive. First, I'll take it just around the car park." Rrrrh, hehehehe, the tyres squealed as he took off. A few minutes later, Cyril drove back to his house. "It's magnificent! Now we just have to licence it to go on the road." (Christian, year 5).

In this horrible world, where dragons burnt down entire towns and goblins raided villages, chiefs and wizards gathered. (Ihaka, year 6).

Have you ever seen a dragon? I have!
In fact, we own one. My brother and I fight over who rides it. (Hunter, year 4).

One dark, hard, rainy night, a cat named Izzy was lost. She was 5 years old and she had no home. She had been raised in a place that was filled with garbage. Her mum had been taken away by men. (Jessika, year 4).

Some great story starters from our latest writing...

It's been another REALLY busy term so far! We have been learning about the history of writing (the 4th great lesson) and working hard on improving our writing, and continuing to develop our science observation skills. We made science boards, ran the cross country, have been learning chess, and practising lots of maths... and so much more!

"I'm starving," I say to myself. Two seconds later, and I am already at the pantry! It's 6:30pm, 30 minutes until dinner. Aarrgh! I have to wait until I can have my favourite dinner... chicken. (Kai, year 4)

Some people ran out of gas. They looked for a gas station but they did not find a gas station, they found a cave! (James, year 4).

It was probably 12:30 when we started our lunch. We had some dahl with vegetables. After we had neatened and cleaned ourselves up, our dad decided that we could go to Tauranga, just to explore.

"Yes!" my sister and I exclaimed. Then all of us ran to our rooms and got ready for our day trip to Tauranga. My mind was all over the place, it was like a little disco happening in my brain. (Snigdha, year 5).

I slowly opened my eyes. I spotted a tiny creature at the foot of my bed. It slowly crept up beside me; It was Ezra, my baby brother.

"Morning Beda," he yelled.

I attempted to hug him but he escaped. I'll get him next time. (Reda, year 7).

Amelia and Jennika are even writing a class newsletter (It's called the Quibbler - out soon!).

We would like to welcome our new staff member Jillian Taylor

Every Wednesday from 1.30-2.45 pm, we look forward to welcoming your child and helping them to prepare for their transition into Malfroy School. The aim of our transition to school programme, **'Stepping up - Upane'** is to ensure a smooth change over from Early childcare/home care to the school situation in a happy and very supportive way. Children from 4 to 5 years are welcome to attend.

The Learning Outcomes that we focus on at the 'Stepping up' are:

Developing Self Esteem Developing Social Skills
 Formal Routines Early Literacy and Numeracy Skills
