Reporting student progress and achievement

Student/Parent/Teacher conferences are scheduled for next week on Tuesday 6 July starting at 1.30pm to 7.00pm and Wednesday 7th July starting at 3.30pm to 6.00pm. We are aiming for every student to have a parent or caregiver attend these important meetings. You will have 15 minutes to read the report, discuss and ask questions. So what's in the report?

Latest Learning Intentions Achieved - up to three current learning intentions are highlighted for students.

Reading Develop my vocabulary: I can identify unknown words in the text	Writing Sentence Structure: I use a range of sentence structures and lengths - simple, compound, complex.	Mathematics Geometry: I can say how the image has transformed (reflect, rotate, translate, enlarge).
---	---	--

Expected levels of progress through the New Zealand Curriculum

	Student currently meeting curriculum expectation	Key Reading Writing Mathematics
	Student is moving towards the curriculum expectation for their year level	
	Student achieving below the expected curriculum level	

My next Learning Steps

Reading Comprehension Skills - Evaluate, analyse, make judgments and have a point of view: I can agree or disagree with the author and give reasons for my thoughts and opinions	Writing Sentence Structure: I use a variety of sentence lengths and types to make my writing more interesting to read e.g. compound, simple and complex.	Mathematics Geometry: I can name types of angles (acute/obtuse/right angle)

Make every effort to book an appointment and support your child's learning

E-Sports Championship Tournament

Our team comprising Eruera (Room 16), Ihaka and Lucien (Room 13) have been competing in the inter-school league on a Monday night at Rotorua Primary. They have qualified for the championship tournament. The tournament is being held today at Rotorua Primary. We wish the boys all the best.

Important Reminder

Whanau Breakfast is tomorrow starting at 7.30am to 8.30am - we hope you can make it and enjoy a full breakfast menu. A gold coin koha at the door will also entitle you to a raffle ticket for a series of draws for food hampers.

He aroha whakatō, He aroha puta mai - If kindness is sown, then kindness you shall receive.

THANK YOU MITRE 10 FOR YOUR GENEROUS DONATION OF SEEDLINGS AND SEEDS

Thank you Val for selecting our winter veges.

Fundraising for the SPCA

How this started, well we really wanted to help animals and we thought that the SPCA would be a good idea to help. We had to think of a way to fundraise for them. When we heard that we were having a Mini Gala, Jennika came up with an idea to sell cupcakes at the Gala! We all agreed but we had to do a lot of research and we had to work together and cooperate so we wouldn't argue. After a lot of preparation the day finally came and everyone was so excited!

Jennika, Snigdha, Amelia and Alyssa bought the cupcakes. We started selling our cupcakes (we had 50) we had a lot but by the end all of the cupcakes had vanished. We were all surprised when we found out that we raised \$100, WOW!! We donated all of the we raised money to the SPCA and at the end we were all proud of ourselves. We even received a certificate of appreciation from the SPCA.

Matariki Kites

Kites were often flown during Matariki, but also at other times:

- They were used to work out what the gods wanted the people to do.
- They were a way of sending messages to people far away, both to living people who were far away and people who had died.

Digital Fluency

We have been budding reading with Room 6 this term. We created a video for our buddy to follow using a programme called Clipchamp. Our buddy watched our video and followed the instructions that we gave them. This is us sharing our digital knowledge with others.

Mitai Village - Educational Classroom

We were inspired by the people of Mital as we discovered the rich history of our indigenous people of Te Arawa. We learnt that our people of old never had a written language therefore all knowledge was preserved and passed down through word of mouth, ngā purakau (stories), whakairo (carvings), raranga (weaving), waiata (song) and kanikani (dance).

Matariki Whanau Breakfast

Tomorrow is our whanau breakfast.

Starting at 7.30am to 8.30am

Gold coin entry per person

Bring the family and enjoy a full cooked breakfast with our staff and tamariki.

In celebrating Matariki we will be drawing your entry number giving you the opportunity to select one of the special food hampers.

First Aid Notice

Does your child suffer from Asthma?

If the answer is yes, can you please bring an asthma pump into the school for them to use, which will be kept in our sick bay room with their name on. This will also enable them to stay in school instead of being sent home.

'Stepping up - Upane'

Malfroy School New Entrant Student Transition to School Programme

Every Wednesday from 1.30-2.45 pm, we look forward to welcoming your child and helping them to prepare for their transition into Malfroy School.

The aim of our transition to school programme, 'Stepping up - Upane' is to ensure a smooth change over from Early childcare/home care to the school situation in a happy and very supportive way. Children from 4 to 5 years are welcome to attend.

The Learning Outcomes that we focus on at the 'Stepping up' are:

- Developing Self Esteem
- Developing Social Skills
- Formal Routines
- Early Literacy and Numeracy Skills
- Fine Motor Skills
- Oral Language Skills

Upone is held every Wednesday at 1.30 to 2.45pm afternoon in Room 1 with our New Entrant Teacher, Whaea Linda.

If your New Entrant child is able to have at least 4 visits prior to them starting school, then this really helps them to make an easy and stress free transition to school when they do start.

Call in to the office and pick up a 'Stepping Up - Upane' transition pack and enrollment form.
